World Events Insurance Solutions is a leading provider of specialized insurance products for the sports, entertainment & events industries. We provide an unmatched portfolio of products including, but not limited to, event cancellation, high limit disability, kidnap and ransom, weather, travel and event liability. We cover major sports and entertainment events, athletes and entertainers and other unique assets.

Coverage Summary

The World Events Insurance vendor liability program has been structured to meet the needs of vendors big and small. We have specifically tailored programs in place that offer the coverage you need to keep your business protected. Our programs are available for one-day special events, annual policies, and anything in between. While many vendors are accustomed to acquiring insurance on a solo basis, World Events Insurance also offers the convenience of group policies. For events with multiple vendors, our group policies help save time and money while still offering the same world-class protection and customer service we are known for.
